

# The ONLY reference book of its kind in Australia Marks on Australian Silver 1950-2005

Written by researcher  
and author  
Christine Erratt

The only reference book available to clearly identify the makers' and retailers' marks on Australian silverware made between 1950 and 2005.

**Marks on Australian Silver 1950-2005** contains

- close to 600 photographic images of individual marks
- more than 300 resumés of makers and retailers
- colour and B&W plates of 60 silver objects

It's a 'must have' for anyone interested in Australian silverware and Australian silversmiths.
